

Storyboard Overview

Login page (1)

Admin page (2)

The diagram illustrates the Admin page (2) interface. It features a window titled "Photo Library: Admin" with a red close button in the top right corner. Below the title bar, there is a "log out" button. The main content area is divided into two sections. On the left, there is a table listing users from "User 1" to "User 7". On the right, there are input fields for "username" and "password", followed by "Add User" and "Remove User" buttons. Three numbered arrows indicate specific interactions: (1) points to the "log out" button, (3) points to the bottom of the user list table, and (4) points to the "Remove User" button.

Admin page Add User (3)

The image shows a web application interface for managing users. The main window is titled "Photo Library: Admin" and has a "log out" button in the top right corner. Below the title bar, there is a table listing users from "User 1" to "User 7". To the right of the table are input fields for "username" and "password", and buttons for "Add User", "Remove User", "confirm", and "cancel". A status message "Currently adding user..." is displayed below the table. Annotations include a red 'X' icon in the top right corner, an arrow labeled "(1)" pointing to the "log out" button, and two arrows labeled "(2)" pointing to the "confirm" and "cancel" buttons.

Admin Page Delete User (4)

The screenshot shows a web application interface for deleting a user. It features a table of users, a login form, and confirmation buttons. Annotations with arrows and numbers highlight specific elements:

- An arrow labeled (1) points to the "log out" button in the top right corner.
- Two arrows labeled (2) point to the "confirm" and "cancel" buttons at the bottom.

User Moving Photo to Album (11)

The image shows a software interface for moving a photo to an album. The window is titled "Photo Library: (User)" and has a red "X" close button in the top right corner. A "log out" button is located in the top right corner of the window's title bar area, with an arrow pointing to the label "(1)".

Inside the window, there is a list of albums on the left:

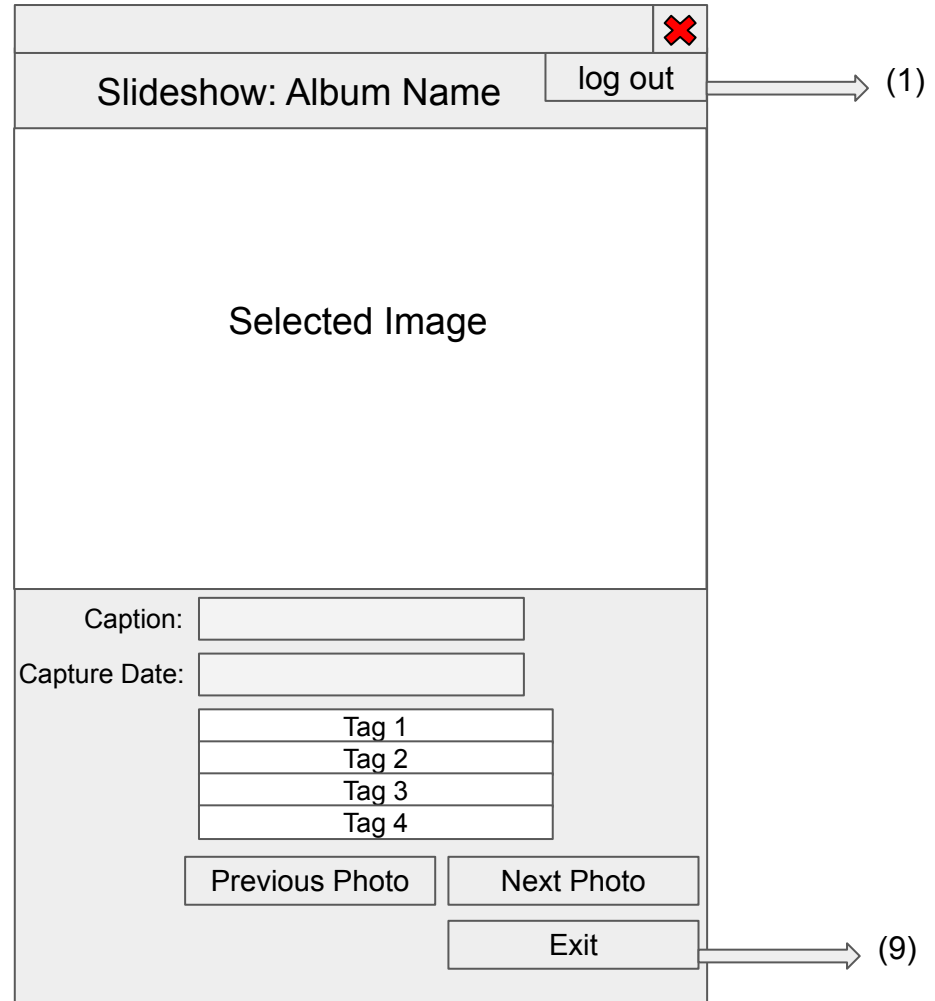

Album 1
Album 2
Album 3
Album 4
Album 5
Album 6
Album 7

To the right of the list is the "Album Information:" section, which contains three input fields:

- Album name
- Number of Photos
- Date Range

At the bottom left, the text "Currently moving photo to album" is displayed. To the right of this text are two buttons: "confirm" and "cancel". Arrows point from these buttons to the label "(9)" at the bottom of the page.

User Slideshow (12)

The diagram illustrates a window titled "User Slideshow (12)". The window has a title bar with a red "X" icon in the top right corner. Below the title bar, there is a header area containing the text "Slideshow: Album Name" and a "log out" button. An arrow points from the "log out" button to the label "(1)". The main content area of the window is labeled "Selected Image". Below this area, there is a section for user input, including a "Caption:" label and a text input field, a "Capture Date:" label and a text input field, and a list of four tags: "Tag 1", "Tag 2", "Tag 3", and "Tag 4". At the bottom of the window, there are three buttons: "Previous Photo", "Next Photo", and "Exit". An arrow points from the "Exit" button to the label "(9)".

Search Photos (13)

The image shows a screenshot of a 'Search Photos: (User)' dialog box. The dialog has a title bar with a red 'X' close button. Below the title bar, the text 'Search Photos: (User)' is centered. To the right of this text is a 'log out' button, with an arrow pointing to it labeled '(1)'. Below the title bar, there are two input fields: 'Date Range:' followed by two empty text boxes separated by 'to', and 'Tag:' followed by a single empty text box. Below these fields are three buttons: 'Search Date Range', 'Search Tag', and 'cancel'. An arrow points from the 'Search Date Range' button down to a label '(14)'. Another arrow points from the 'Search Tag' button to a label '(14)'. A third arrow points from the 'cancel' button to a label '(5)'.
